Rev. 5/25/2021

June 14, 2021

Welcome Chamber Members and Guests:

On behalf of the Board of Directors, the Golf Committee and Staff of the Chamber, it is our pleasure to welcome you to our 34th Annual Midstate Chamber of Commerce Golf Tournament, in this, our 125th Anniversary of the Midstate Chamber of Commerce! The Ray Parmentier Memorial Classic is named after one of the founders of the tournament who was active on our Golf Committee for MANY years.

We are very grateful for the participation of our generous sponsors, and we are pleased to recognize our **Presenting Sponsor: UBEO Business Services;** and **Diamond Sponsor: Comprehensive Orthopaedics & Musculoskeletal Care LLC.**

We must also recognize the businesses that have generously stepped up to recognize and sponsor veterans who will be golfing with us today. It is a terrific way to recognize and thank those who have proudly served our country. **Thank you, Class Act Auto Wash, CEDF – Community Economic Development Fund and AC Exterminating, LLC.**

We have had great support from our numerous Gold, Silver, Pin Tee Flag, Cocktail and Lunch sponsors and ads listed in this program book. In addition, tons of raffle prizes have been donated to help guarantee the success of this event. You will find all of the participating businesses listed in this program book who support our chamber while promoting their businesses. **We ask that you please thank every one of these businesses today and throughout the entire year by frequenting them often.** Please remember our mantra: members use members first...and always remember that we are always interested in growing our Chamber with additional members. **Please encourage your friends in business to join us – there is an application you can share with them on the inside back cover of this program. When they join, you'll get a \$50 credit off of next year's tourney – or another chamber event.**

We'd like you to know that your participation in this tournament supports many Chamber initiatives throughout the year including our Annual Sanford S. Shorr Education Awards, named after the Chamber Executive Director who served for more than 30 years. Mr. Shorr was a strong advocate of community service and his legacy continues through the student winners.

We especially extend a tremendous THANK YOU to all who are supporting this event this year – in the wake of COVID-19, we know that the past 15 months have been challenging ones and your participation will allow the education awards to continue in the coming years.

Over the last 34 years, more than \$135,000 of education awards have been presented to over 150 students pursuing higher education. These students are destined to become our future business and community leaders in Central Connecticut. As we assist them with college, we also eagerly await and encourage their return to work and contribute back in our community.

Please note that the eligibility for the Sanford S. Shorr Education Awards has been expanded. All dependents and employees of Chamber members, wherever they may reside, are welcome to apply for the awards. That's regionalism in action!

On behalf of the Golf Committee, the entire Chamber membership and the Education Award winning students, thank you for your support of chamber activities and enjoy this day of great golf!

Sincerely,

Rosanne P. Ford, President

Rev. 5/25/2021

June 14, 2021

Welcome Chamber Members and Guests:

On behalf of the Board of Directors, the Golf Committee and Staff of the Chamber, it is our pleasure to welcome you to our 34th Annual Midstate Chamber of Commerce Golf Tournament, in this, our 125th Anniversary of the Midstate Chamber of Commerce! The Ray Parmentier Memorial Classic is named after one of the founders of the tournament who was active on our Golf Committee for MANY years.

We are very grateful for the participation of our generous sponsors, and we are pleased to recognize our **Presenting Sponsor: UBEO Business Services;** and **Diamond Sponsor: Comprehensive Orthopaedics & Musculoskeletal Care LLC.**

We must also recognize the businesses that have generously stepped up to recognize and sponsor veterans who will be golfing with us today. It is a terrific way to recognize and thank those who have proudly served our country. Thank you, Class Act Auto Wash, CEDF – Community Economic Development Fund and AC Exterminating, LLC.

We have had great support from our numerous Gold, Silver, Pin Tee Flag, Cocktail and Lunch sponsors and ads listed in this program book. In addition, tons of raffle prizes have been donated to help guarantee the success of this event. You will find all of the participating businesses listed in this program book who support our chamber while promoting their businesses. **We ask that you please thank every one of these businesses today and throughout the entire year by frequenting them often.** Please remember our mantra: members use members first...and always remember that we are always interested in growing our Chamber with additional members. **Please encourage your friends in business to join us – there is an application you can share with them on the inside back cover of this program. When they join, you'll get a \$50 credit off of next year's tourney – or another chamber event.**

We'd like you to know that your participation in this tournament supports many Chamber initiatives throughout the year including our Annual Sanford S. Shorr Education Awards, named after the Chamber Executive Director who served for more than 30 years. Mr. Shorr was a strong advocate of community service and his legacy continues through the student winners.

We especially extend a tremendous THANK YOU to all who are supporting this event this year – in the wake of COVID-19, we know that the past 15 months have been challenging ones and your participation will allow the education awards to continue in the coming years.

Over the last 34 years, more than \$135,000 of education awards have been presented to over 150 students pursuing higher education. These students are destined to become our future business and community leaders in Central Connecticut. As we assist them with college, we also eagerly await and encourage their return to work and contribute back in our community.

Please note that the eligibility for the Sanford S. Shorr Education Awards has been expanded. All dependents and employees of Chamber members, wherever they may reside, are welcome to apply for the awards. That's regionalism in action!

On behalf of the Golf Committee, the entire Chamber membership and the Education Award winning students, thank you for your support of chamber activities and enjoy this day of great golf!

Sincerely,

Rosanne P. Ford, President

Rev. 5/25/2021

June 14, 2021

Welcome Chamber Members and Guests:

On behalf of the Board of Directors, the Golf Committee and Staff of the Chamber, it is our pleasure to welcome you to our 34th Annual Midstate Chamber of Commerce Golf Tournament, in this, our 125th Anniversary of the Midstate Chamber of Commerce! The Ray Parmentier Memorial Classic is named after one of the founders of the tournament who was active on our Golf Committee for MANY years.

2020 Education Award Winners with Leaders

We are very grateful for the participation of our generous sponsors, and we are pleased to recognize our **Presenting Sponsor: UBEO Business Services;** and **Diamond Sponsor: Comprehensive Orthopaedics & Musculoskeletal Care LLC.**

We must also recognize the businesses that have generously stepped up to recognize and sponsor veterans who will be golfing with us today. It is a terrific way to recognize and thank those who have proudly served our country. Thank you, Class Act Auto Wash, CEDF – Community Economic Development Fund and AC Exterminating, LLC.

We have had great support from our numerous Gold, Silver, Pin Tee Flag, Cocktail and Lunch sponsors and ads listed in this program book. In addition, tons of raffle prizes have been donated to help guarantee the success of this event. You will find all of the participating businesses listed in this program book who support our chamber while promoting their businesses. **We ask that you please thank every one of these businesses today and throughout the entire year by frequenting them often.** Please remember our mantra: members use members first...and always remember that we are always interested in growing our Chamber with additional members. **Please encourage your friends in business to join us – there is an application you can share with them on the inside back cover of this program. When they join, you'll get a \$50 credit off of next year's tourney – or another chamber event.**

We'd like you to know that your participation in this tournament supports many Chamber initiatives throughout the year including our Annual Sanford S. Shorr Education Awards, named after the Chamber Executive Director who served for more than 30 years. Mr. Shorr was a strong advocate of community service and his legacy continues through the student winners.

We especially extend a tremendous THANK YOU to all who are supporting this event this year – in the wake of COVID-19, we know that the past 15 months have been challenging ones and your participation will allow the education awards to continue in the coming years.

Over the last 34 years, more than \$135,000 of education awards have been presented to over 150 students pursuing higher education. These students are destined to become our future business and community leaders in Central Connecticut. As we assist them with college, we also eagerly await and encourage their return to work and contribute back in our community.

Please note that the eligibility for the Sanford S. Shorr Education Awards has been expanded. All dependents and employees of Chamber members, wherever they may reside, are welcome to apply for the awards. That's regionalism in action!

On behalf of the Golf Committee, the entire Chamber membership and the Education Award winning students, thank you for your support of chamber activities and enjoy this day of great golf!

Sincerely,

Rosanne P. Ford, President

Richard Pendred, Golf Chairman

Rev. 5/25/2021

June 14, 2021

Welcome Chamber Members and Guests:

On behalf of the Board of Directors, the Golf Committee and Staff of the Chamber, it is our pleasure to welcome you to our 34th Annual Midstate Chamber of Commerce Golf Tournament, in this, our 125th Anniversary of the Midstate Chamber of Commerce! The Ray Parmentier Memorial Classic is named after one of the founders of the tournament who was active on our Golf Committee for MANY years.

2020 Education Award Winners with Leaders

We are very grateful for the participation of our generous sponsors, and we are pleased to recognize our **Presenting Sponsor: UBEO Business Services;** and **Diamond Sponsor: Comprehensive Orthopaedics & Musculoskeletal Care LLC.**

We must also recognize the businesses that have generously stepped up to recognize and sponsor veterans who will be golfing with us today. It is a terrific way to recognize and thank those who have proudly served our country. Thank you, Class Act Auto Wash, CEDF – Community Economic Development Fund and AC Exterminating, LLC.

We have had great support from our numerous Gold, Silver, Pin Tee Flag, Cocktail and Lunch sponsors and ads listed in this program book. In addition, tons of raffle prizes have been donated to help guarantee the success of this event. You will find all of the participating businesses listed in this program book who support our chamber while promoting their businesses. **We ask that you please thank every one of these businesses today and throughout the entire year by frequenting them often.** Please remember our mantra: members use members first...and always remember that we are always interested in growing our Chamber with additional members. **Please encourage your friends in business to join us – there is an application you can share with them on the inside back cover of this program. When they join, you'll get a \$50 credit off of next year's tourney – or another chamber event.**

We'd like you to know that your participation in this tournament supports many Chamber initiatives throughout the year including our Annual Sanford S. Shorr Education Awards, named after the Chamber Executive Director who served for more than 30 years. Mr. Shorr was a strong advocate of community service and his legacy continues through the student winners.

We especially extend a tremendous THANK YOU to all who are supporting this event this year – in the wake of COVID-19, we know that the past 15 months have been challenging ones and your participation will allow the education awards to continue in the coming years.

Over the last 34 years, more than \$135,000 of education awards have been presented to over 150 students pursuing higher education. These students are destined to become our future business and community leaders in Central Connecticut. As we assist them with college, we also eagerly await and encourage their return to work and contribute back in our community.

Please note that the eligibility for the Sanford S. Shorr Education Awards has been expanded. All dependents and employees of Chamber members, wherever they may reside, are welcome to apply for the awards. That's regionalism in action!

On behalf of the Golf Committee, the entire Chamber membership and the Education Award winning students, thank you for your support of chamber activities and enjoy this day of great golf!

Sincerely,

Rosanne P. Ford, President

Richard Pendred, Golf Chairman

WE'RE LIKE YOUR CADDY FOR **BUSINESS TECHNOLOGY**

DRIVE IMPROVEMENTS WITH A
Business Technology Assessment!

WE'LL TEE YOU UP FOR SUCCESS

Many vendors in our industry will offer to perform a technology assessment. Most competitive assessments consist of meter collection and a like-for-like replacement strategy.

UBEO is different. Our assessment seeks to uncover opportunities to improve your team's relationship with their supporting technology. We seek to streamline your team's workflow and to optimize your business document systems. Our findings will result in a solution that is the best mix of performance, cost and usability.

Rev. 5/25/2021

June 14, 2021

Welcome Chamber Members and Guests:

On behalf of the Board of Directors, the Golf Committee and Staff of the Chamber, it is our pleasure to welcome you to our 34th Annual Midstate Chamber of Commerce Golf Tournament, in this, our 125th Anniversary of the Midstate Chamber of Commerce! The Ray Parmentier Memorial Classic is named after one of the founders of the tournament who was active on our Golf Committee for MANY years.

We are very grateful for the participation of our generous sponsors, and we are pleased to recognize our **Presenting Sponsor: UBEO Business Services;** and **Diamond Sponsor: Comprehensive Orthopaedics & Musculoskeletal Care LLC.**

We must also recognize the businesses that have generously stepped up to recognize and sponsor veterans who will be golfing with us today. It is a terrific way to recognize and thank those who have proudly served our country. Thank you, Class Act Auto Wash, CEDF – Community Economic Development Fund and AC Exterminating, LLC.

We have had great support from our numerous Gold, Silver, Pin Tee Flag, Cocktail and Lunch sponsors and ads listed in this program book. In addition, tons of raffle prizes have been donated to help guarantee the success of this event. You will find all of the participating businesses listed in this program book who support our chamber while promoting their businesses. **We ask that you please thank every one of these businesses today and throughout the entire year by frequenting them often.** Please remember our mantra: members use members first...and always remember that we are always interested in growing our Chamber with additional members. **Please encourage your friends in business to join us – there is an application you can share with them on the inside back cover of this program. When they join, you'll get a \$50 credit off of next year's tourney – or another chamber event.**

We'd like you to know that your participation in this tournament supports many Chamber initiatives throughout the year including our Annual Sanford S. Shorr Education Awards, named after the Chamber Executive Director who served for more than 30 years. Mr. Shorr was a strong advocate of community service and his legacy continues through the student winners.

We especially extend a tremendous THANK YOU to all who are supporting this event this year – in the wake of COVID-19, we know that the past 15 months have been challenging ones and your participation will allow the education awards to continue in the coming years.

Over the last 34 years, more than \$135,000 of education awards have been presented to over 150 students pursuing higher education. These students are destined to become our future business and community leaders in Central Connecticut. As we assist them with college, we also eagerly await and encourage their return to work and contribute back in our community.

Please note that the eligibility for the Sanford S. Shorr Education Awards has been expanded. All dependents and employees of Chamber members, wherever they may reside, are welcome to apply for the awards. That's regionalism in action!

On behalf of the Golf Committee, the entire Chamber membership and the Education Award winning students, thank you for your support of chamber activities and enjoy this day of great golf!

Sincerely,

Rosanne P. Ford, President

Business Technology Assessment!

WE'LL TEE YOU UP FOR SUCCESS

Many vendors in our industry will offer to perform a technology assessment. Most competitive assessments consist of meter collection and a like-for-like replacement strategy.

UBEO is different. Our assessment seeks to uncover opportunities to improve your team's relationship with their supporting technology. We seek to streamline your team's workflow and to optimize your business document systems. Our findings will result in a solution that is the best mix of performance, cost and usability.

A UBEO BTA will help you:

Rev. 5/25/2021

June 14, 2021

Welcome Chamber Members and Guests:

On behalf of the Board of Directors, the Golf Committee and Staff of the Chamber, it is our pleasure to welcome you to our 34th Annual Midstate Chamber of Commerce Golf Tournament, in this, our 125th Anniversary of the Midstate Chamber of Commerce! The Ray Parmentier Memorial Classic is named after one of the founders of the tournament who was active on our Golf Committee for MANY years.

2020 Education Award Winners with Leaders

We are very grateful for the participation of our generous sponsors, and we are pleased to recognize our **Presenting Sponsor: UBEO Business Services;** and **Diamond Sponsor: Comprehensive Orthopaedics & Musculoskeletal Care LLC.**

We must also recognize the businesses that have generously stepped up to recognize and sponsor veterans who will be golfing with us today. It is a terrific way to recognize and thank those who have proudly served our country. Thank you, Class Act Auto Wash, CEDF – Community Economic Development Fund and AC Exterminating, LLC.

We have had great support from our numerous Gold, Silver, Pin Tee Flag, Cocktail and Lunch sponsors and ads listed in this program book. In addition, tons of raffle prizes have been donated to help guarantee the success of this event. You will find all of the participating businesses listed in this program book who support our chamber while promoting their businesses. **We ask that you please thank every one of these businesses today and throughout the entire year by frequenting them often.** Please remember our mantra: members use members first...and always remember that we are always interested in growing our Chamber with additional members. **Please encourage your friends in business to join us – there is an application you can share with them on the inside back cover of this program. When they join, you'll get a \$50 credit off of next year's tourney – or another chamber event.**

We'd like you to know that your participation in this tournament supports many Chamber initiatives throughout the year including our Annual Sanford S. Shorr Education Awards, named after the Chamber Executive Director who served for more than 30 years. Mr. Shorr was a strong advocate of community service and his legacy continues through the student winners.

We especially extend a tremendous THANK YOU to all who are supporting this event this year – in the wake of COVID-19, we know that the past 15 months have been challenging ones and your participation will allow the education awards to continue in the coming years.

Over the last 34 years, more than \$135,000 of education awards have been presented to over 150 students pursuing higher education. These students are destined to become our future business and community leaders in Central Connecticut. As we assist them with college, we also eagerly await and encourage their return to work and contribute back in our community.

Please note that the eligibility for the Sanford S. Shorr Education Awards has been expanded. All dependents and employees of Chamber members, wherever they may reside, are welcome to apply for the awards. That's regionalism in action!

On behalf of the Golf Committee, the entire Chamber membership and the Education Award winning students, thank you for your support of chamber activities and enjoy this day of great golf!

Sincerely,

Rosanne P. Ford, President

Richard Pendred, Golf Chairman

Rev. 5/25/2021

June 14, 2021

Welcome Chamber Members and Guests:

On behalf of the Board of Directors, the Golf Committee and Staff of the Chamber, it is our pleasure to welcome you to our 34th Annual Midstate Chamber of Commerce Golf Tournament, in this, our 125th Anniversary of the Midstate Chamber of Commerce! The Ray Parmentier Memorial Classic is named after one of the founders of the tournament who was active on our Golf Committee for MANY years.

We are very grateful for the participation of our generous sponsors, and we are pleased to recognize our **Presenting Sponsor: UBEO Business Services;** and **Diamond Sponsor: Comprehensive Orthopaedics & Musculoskeletal Care LLC.**

We must also recognize the businesses that have generously stepped up to recognize and sponsor veterans who will be golfing with us today. It is a terrific way to recognize and thank those who have proudly served our country. Thank you, Class Act Auto Wash, CEDF – Community Economic Development Fund and AC Exterminating, LLC.

We have had great support from our numerous Gold, Silver, Pin Tee Flag, Cocktail and Lunch sponsors and ads listed in this program book. In addition, tons of raffle prizes have been donated to help guarantee the success of this event. You will find all of the participating businesses listed in this program book who support our chamber while promoting their businesses. **We ask that you please thank every one of these businesses today and throughout the entire year by frequenting them often.** Please remember our mantra: members use members first...and always remember that we are always interested in growing our Chamber with additional members. **Please encourage your friends in business to join us – there is an application you can share with them on the inside back cover of this program. When they join, you'll get a \$50 credit off of next year's tourney – or another chamber event.**

We'd like you to know that your participation in this tournament supports many Chamber initiatives throughout the year including our Annual Sanford S. Shorr Education Awards, named after the Chamber Executive Director who served for more than 30 years. Mr. Shorr was a strong advocate of community service and his legacy continues through the student winners.

We especially extend a tremendous THANK YOU to all who are supporting this event this year – in the wake of COVID-19, we know that the past 15 months have been challenging ones and your participation will allow the education awards to continue in the coming years.

Over the last 34 years, more than \$135,000 of education awards have been presented to over 150 students pursuing higher education. These students are destined to become our future business and community leaders in Central Connecticut. As we assist them with college, we also eagerly await and encourage their return to work and contribute back in our community.

Please note that the eligibility for the Sanford S. Shorr Education Awards has been expanded. All dependents and employees of Chamber members, wherever they may reside, are welcome to apply for the awards. That's regionalism in action!

On behalf of the Golf Committee, the entire Chamber membership and the Education Award winning students, thank you for your support of chamber activities and enjoy this day of great golf!

Sincerely,

Rosanne P. Ford, President

Rev. 5/25/2021

June 14, 2021

Welcome Chamber Members and Guests:

On behalf of the Board of Directors, the Golf Committee and Staff of the Chamber, it is our pleasure to welcome you to our 34th Annual Midstate Chamber of Commerce Golf Tournament, in this, our 125th Anniversary of the Midstate Chamber of Commerce! The Ray Parmentier Memorial Classic is named after one of the founders of the tournament who was active on our Golf Committee for MANY years.

2020 Education Award Winners with Leaders

We are very grateful for the participation of our generous sponsors, and we are pleased to recognize our **Presenting Sponsor: UBEO Business Services;** and **Diamond Sponsor: Comprehensive Orthopaedics & Musculoskeletal Care LLC.**

We must also recognize the businesses that have generously stepped up to recognize and sponsor veterans who will be golfing with us today. It is a terrific way to recognize and thank those who have proudly served our country. Thank you, Class Act Auto Wash, CEDF – Community Economic Development Fund and AC Exterminating, LLC.

We have had great support from our numerous Gold, Silver, Pin Tee Flag, Cocktail and Lunch sponsors and ads listed in this program book. In addition, tons of raffle prizes have been donated to help guarantee the success of this event. You will find all of the participating businesses listed in this program book who support our chamber while promoting their businesses. **We ask that you please thank every one of these businesses today and throughout the entire year by frequenting them often.** Please remember our mantra: members use members first...and always remember that we are always interested in growing our Chamber with additional members. **Please encourage your friends in business to join us – there is an application you can share with them on the inside back cover of this program. When they join, you'll get a \$50 credit off of next year's tourney – or another chamber event.**

We'd like you to know that your participation in this tournament supports many Chamber initiatives throughout the year including our Annual Sanford S. Shorr Education Awards, named after the Chamber Executive Director who served for more than 30 years. Mr. Shorr was a strong advocate of community service and his legacy continues through the student winners.

We especially extend a tremendous THANK YOU to all who are supporting this event this year – in the wake of COVID-19, we know that the past 15 months have been challenging ones and your participation will allow the education awards to continue in the coming years.

Over the last 34 years, more than \$135,000 of education awards have been presented to over 150 students pursuing higher education. These students are destined to become our future business and community leaders in Central Connecticut. As we assist them with college, we also eagerly await and encourage their return to work and contribute back in our community.

Please note that the eligibility for the Sanford S. Shorr Education Awards has been expanded. All dependents and employees of Chamber members, wherever they may reside, are welcome to apply for the awards. That's regionalism in action!

On behalf of the Golf Committee, the entire Chamber membership and the Education Award winning students, thank you for your support of chamber activities and enjoy this day of great golf!

Sincerely,

Rosanne P. Ford, President

Richard Pendred, Golf Chairman

Rev. 5/25/2021

June 14, 2021

Welcome Chamber Members and Guests:

On behalf of the Board of Directors, the Golf Committee and Staff of the Chamber, it is our pleasure to welcome you to our 34th Annual Midstate Chamber of Commerce Golf Tournament, in this, our 125th Anniversary of the Midstate Chamber of Commerce! The Ray Parmentier Memorial Classic is named after one of the founders of the tournament who was active on our Golf Committee for MANY years.

We are very grateful for the participation of our generous sponsors, and we are pleased to recognize our **Presenting Sponsor: UBEO Business Services;** and **Diamond Sponsor: Comprehensive Orthopaedics & Musculoskeletal Care LLC.**

We must also recognize the businesses that have generously stepped up to recognize and sponsor veterans who will be golfing with us today. It is a terrific way to recognize and thank those who have proudly served our country. Thank you, Class Act Auto Wash, CEDF – Community Economic Development Fund and AC Exterminating, LLC.

We have had great support from our numerous Gold, Silver, Pin Tee Flag, Cocktail and Lunch sponsors and ads listed in this program book. In addition, tons of raffle prizes have been donated to help guarantee the success of this event. You will find all of the participating businesses listed in this program book who support our chamber while promoting their businesses. **We ask that you please thank every one of these businesses today and throughout the entire year by frequenting them often.** Please remember our mantra: members use members first...and always remember that we are always interested in growing our Chamber with additional members. **Please encourage your friends in business to join us – there is an application you can share with them on the inside back cover of this program. When they join, you'll get a \$50 credit off of next year's tourney – or another chamber event.**

We'd like you to know that your participation in this tournament supports many Chamber initiatives throughout the year including our Annual Sanford S. Shorr Education Awards, named after the Chamber Executive Director who served for more than 30 years. Mr. Shorr was a strong advocate of community service and his legacy continues through the student winners.

We especially extend a tremendous THANK YOU to all who are supporting this event this year – in the wake of COVID-19, we know that the past 15 months have been challenging ones and your participation will allow the education awards to continue in the coming years.

Over the last 34 years, more than \$135,000 of education awards have been presented to over 150 students pursuing higher education. These students are destined to become our future business and community leaders in Central Connecticut. As we assist them with college, we also eagerly await and encourage their return to work and contribute back in our community.

Please note that the eligibility for the Sanford S. Shorr Education Awards has been expanded. All dependents and employees of Chamber members, wherever they may reside, are welcome to apply for the awards. That's regionalism in action!

On behalf of the Golf Committee, the entire Chamber membership and the Education Award winning students, thank you for your support of chamber activities and enjoy this day of great golf!

Sincerely,

Rosanne P. Ford, President

Rev. 5/25/2021

June 14, 2021

Welcome Chamber Members and Guests:

On behalf of the Board of Directors, the Golf Committee and Staff of the Chamber, it is our pleasure to welcome you to our 34th Annual Midstate Chamber of Commerce Golf Tournament, in this, our 125th Anniversary of the Midstate Chamber of Commerce! The Ray Parmentier Memorial Classic is named after one of the founders of the tournament who was active on our Golf Committee for MANY years.

2020 Education Award Winners with Leaders

We are very grateful for the participation of our generous sponsors, and we are pleased to recognize our **Presenting Sponsor: UBEO Business Services;** and **Diamond Sponsor: Comprehensive Orthopaedics & Musculoskeletal Care LLC.**

We must also recognize the businesses that have generously stepped up to recognize and sponsor veterans who will be golfing with us today. It is a terrific way to recognize and thank those who have proudly served our country. Thank you, Class Act Auto Wash, CEDF – Community Economic Development Fund and AC Exterminating, LLC.

We have had great support from our numerous Gold, Silver, Pin Tee Flag, Cocktail and Lunch sponsors and ads listed in this program book. In addition, tons of raffle prizes have been donated to help guarantee the success of this event. You will find all of the participating businesses listed in this program book who support our chamber while promoting their businesses. **We ask that you please thank every one of these businesses today and throughout the entire year by frequenting them often.** Please remember our mantra: members use members first...and always remember that we are always interested in growing our Chamber with additional members. **Please encourage your friends in business to join us – there is an application you can share with them on the inside back cover of this program. When they join, you'll get a \$50 credit off of next year's tourney – or another chamber event.**

We'd like you to know that your participation in this tournament supports many Chamber initiatives throughout the year including our Annual Sanford S. Shorr Education Awards, named after the Chamber Executive Director who served for more than 30 years. Mr. Shorr was a strong advocate of community service and his legacy continues through the student winners.

We especially extend a tremendous THANK YOU to all who are supporting this event this year – in the wake of COVID-19, we know that the past 15 months have been challenging ones and your participation will allow the education awards to continue in the coming years.

Over the last 34 years, more than \$135,000 of education awards have been presented to over 150 students pursuing higher education. These students are destined to become our future business and community leaders in Central Connecticut. As we assist them with college, we also eagerly await and encourage their return to work and contribute back in our community.

Please note that the eligibility for the Sanford S. Shorr Education Awards has been expanded. All dependents and employees of Chamber members, wherever they may reside, are welcome to apply for the awards. That's regionalism in action!

On behalf of the Golf Committee, the entire Chamber membership and the Education Award winning students, thank you for your support of chamber activities and enjoy this day of great golf!

Sincerely,

Rosanne P. Ford, President

Richard Pendred, Golf Chairman

Rev. 5/25/2021

June 14, 2021

Welcome Chamber Members and Guests:

On behalf of the Board of Directors, the Golf Committee and Staff of the Chamber, it is our pleasure to welcome you to our 34th Annual Midstate Chamber of Commerce Golf Tournament, in this, our 125th Anniversary of the Midstate Chamber of Commerce! The Ray Parmentier Memorial Classic is named after one of the founders of the tournament who was active on our Golf Committee for MANY years.

We are very grateful for the participation of our generous sponsors, and we are pleased to recognize our **Presenting Sponsor: UBEO Business Services;** and **Diamond Sponsor: Comprehensive Orthopaedics & Musculoskeletal Care LLC.**

We must also recognize the businesses that have generously stepped up to recognize and sponsor veterans who will be golfing with us today. It is a terrific way to recognize and thank those who have proudly served our country. Thank you, Class Act Auto Wash, CEDF – Community Economic Development Fund and AC Exterminating, LLC.

We have had great support from our numerous Gold, Silver, Pin Tee Flag, Cocktail and Lunch sponsors and ads listed in this program book. In addition, tons of raffle prizes have been donated to help guarantee the success of this event. You will find all of the participating businesses listed in this program book who support our chamber while promoting their businesses. **We ask that you please thank every one of these businesses today and throughout the entire year by frequenting them often.** Please remember our mantra: members use members first...and always remember that we are always interested in growing our Chamber with additional members. **Please encourage your friends in business to join us – there is an application you can share with them on the inside back cover of this program. When they join, you'll get a \$50 credit off of next year's tourney – or another chamber event.**

We'd like you to know that your participation in this tournament supports many Chamber initiatives throughout the year including our Annual Sanford S. Shorr Education Awards, named after the Chamber Executive Director who served for more than 30 years. Mr. Shorr was a strong advocate of community service and his legacy continues through the student winners.

We especially extend a tremendous THANK YOU to all who are supporting this event this year – in the wake of COVID-19, we know that the past 15 months have been challenging ones and your participation will allow the education awards to continue in the coming years.

Over the last 34 years, more than \$135,000 of education awards have been presented to over 150 students pursuing higher education. These students are destined to become our future business and community leaders in Central Connecticut. As we assist them with college, we also eagerly await and encourage their return to work and contribute back in our community.

Please note that the eligibility for the Sanford S. Shorr Education Awards has been expanded. All dependents and employees of Chamber members, wherever they may reside, are welcome to apply for the awards. That's regionalism in action!

On behalf of the Golf Committee, the entire Chamber membership and the Education Award winning students, thank you for your support of chamber activities and enjoy this day of great golf!

Sincerely,

Rosanne P. Ford, President

Rev. 5/25/2021

June 14, 2021

Welcome Chamber Members and Guests:

On behalf of the Board of Directors, the Golf Committee and Staff of the Chamber, it is our pleasure to welcome you to our 34th Annual Midstate Chamber of Commerce Golf Tournament, in this, our 125th Anniversary of the Midstate Chamber of Commerce! The Ray Parmentier Memorial Classic is named after one of the founders of the tournament who was active on our Golf Committee for MANY years.

We are very grateful for the participation of our generous sponsors, and we are pleased to recognize our **Presenting Sponsor: UBEO Business Services;** and **Diamond Sponsor: Comprehensive Orthopaedics & Musculoskeletal Care LLC.**

We must also recognize the businesses that have generously stepped up to recognize and sponsor veterans who will be golfing with us today. It is a terrific way to recognize and thank those who have proudly served our country. Thank you, Class Act Auto Wash, CEDF – Community Economic Development Fund and AC Exterminating, LLC.

We have had great support from our numerous Gold, Silver, Pin Tee Flag, Cocktail and Lunch sponsors and ads listed in this program book. In addition, tons of raffle prizes have been donated to help guarantee the success of this event. You will find all of the participating businesses listed in this program book who support our chamber while promoting their businesses. **We ask that you please thank every one of these businesses today and throughout the entire year by frequenting them often.** Please remember our mantra: members use members first...and always remember that we are always interested in growing our Chamber with additional members. **Please encourage your friends in business to join us – there is an application you can share with them on the inside back cover of this program. When they join, you'll get a \$50 credit off of next year's tourney – or another chamber event.**

We'd like you to know that your participation in this tournament supports many Chamber initiatives throughout the year including our Annual Sanford S. Shorr Education Awards, named after the Chamber Executive Director who served for more than 30 years. Mr. Shorr was a strong advocate of community service and his legacy continues through the student winners.

We especially extend a tremendous THANK YOU to all who are supporting this event this year – in the wake of COVID-19, we know that the past 15 months have been challenging ones and your participation will allow the education awards to continue in the coming years.

Over the last 34 years, more than \$135,000 of education awards have been presented to over 150 students pursuing higher education. These students are destined to become our future business and community leaders in Central Connecticut. As we assist them with college, we also eagerly await and encourage their return to work and contribute back in our community.

Please note that the eligibility for the Sanford S. Shorr Education Awards has been expanded. All dependents and employees of Chamber members, wherever they may reside, are welcome to apply for the awards. That's regionalism in action!

On behalf of the Golf Committee, the entire Chamber membership and the Education Award winning students, thank you for your support of chamber activities and enjoy this day of great golf!

Sincerely,

Rosanne P. Ford, President

Rev. 5/25/2021

June 14, 2021

Welcome Chamber Members and Guests:

On behalf of the Board of Directors, the Golf Committee and Staff of the Chamber, it is our pleasure to welcome you to our 34th Annual Midstate Chamber of Commerce Golf Tournament, in this, our 125th Anniversary of the Midstate Chamber of Commerce! The Ray Parmentier Memorial Classic is named after one of the founders of the tournament who was active on our Golf Committee for MANY years.

We are very grateful for the participation of our generous sponsors, and we are pleased to recognize our **Presenting Sponsor: UBEO Business Services;** and **Diamond Sponsor: Comprehensive Orthopaedics & Musculoskeletal Care LLC.**

We must also recognize the businesses that have generously stepped up to recognize and sponsor veterans who will be golfing with us today. It is a terrific way to recognize and thank those who have proudly served our country. Thank you, Class Act Auto Wash, CEDF – Community Economic Development Fund and AC Exterminating, LLC.

We have had great support from our numerous Gold, Silver, Pin Tee Flag, Cocktail and Lunch sponsors and ads listed in this program book. In addition, tons of raffle prizes have been donated to help guarantee the success of this event. You will find all of the participating businesses listed in this program book who support our chamber while promoting their businesses. **We ask that you please thank every one of these businesses today and throughout the entire year by frequenting them often.** Please remember our mantra: members use members first...and always remember that we are always interested in growing our Chamber with additional members. **Please encourage your friends in business to join us – there is an application you can share with them on the inside back cover of this program. When they join, you'll get a \$50 credit off of next year's tourney – or another chamber event.**

We'd like you to know that your participation in this tournament supports many Chamber initiatives throughout the year including our Annual Sanford S. Shorr Education Awards, named after the Chamber Executive Director who served for more than 30 years. Mr. Shorr was a strong advocate of community service and his legacy continues through the student winners.

We especially extend a tremendous THANK YOU to all who are supporting this event this year – in the wake of COVID-19, we know that the past 15 months have been challenging ones and your participation will allow the education awards to continue in the coming years.

Over the last 34 years, more than \$135,000 of education awards have been presented to over 150 students pursuing higher education. These students are destined to become our future business and community leaders in Central Connecticut. As we assist them with college, we also eagerly await and encourage their return to work and contribute back in our community.

Please note that the eligibility for the Sanford S. Shorr Education Awards has been expanded. All dependents and employees of Chamber members, wherever they may reside, are welcome to apply for the awards. That's regionalism in action!

On behalf of the Golf Committee, the entire Chamber membership and the Education Award winning students, thank you for your support of chamber activities and enjoy this day of great golf!

Sincerely,

Rosanne P. Ford, President

Rev. 5/25/2021

June 14, 2021

Welcome Chamber Members and Guests:

On behalf of the Board of Directors, the Golf Committee and Staff of the Chamber, it is our pleasure to welcome you to our 34th Annual Midstate Chamber of Commerce Golf Tournament, in this, our 125th Anniversary of the Midstate Chamber of Commerce! The Ray Parmentier Memorial Classic is named after one of the founders of the tournament who was active on our Golf Committee for MANY years.

2020 Education Award Winners with Leaders

We are very grateful for the participation of our generous sponsors, and we are pleased to recognize our **Presenting Sponsor: UBEO Business Services;** and **Diamond Sponsor: Comprehensive Orthopaedics & Musculoskeletal Care LLC.**

We must also recognize the businesses that have generously stepped up to recognize and sponsor veterans who will be golfing with us today. It is a terrific way to recognize and thank those who have proudly served our country. Thank you, Class Act Auto Wash, CEDF – Community Economic Development Fund and AC Exterminating, LLC.

We have had great support from our numerous Gold, Silver, Pin Tee Flag, Cocktail and Lunch sponsors and ads listed in this program book. In addition, tons of raffle prizes have been donated to help guarantee the success of this event. You will find all of the participating businesses listed in this program book who support our chamber while promoting their businesses. **We ask that you please thank every one of these businesses today and throughout the entire year by frequenting them often.** Please remember our mantra: members use members first...and always remember that we are always interested in growing our Chamber with additional members. **Please encourage your friends in business to join us – there is an application you can share with them on the inside back cover of this program. When they join, you'll get a \$50 credit off of next year's tourney – or another chamber event.**

We'd like you to know that your participation in this tournament supports many Chamber initiatives throughout the year including our Annual Sanford S. Shorr Education Awards, named after the Chamber Executive Director who served for more than 30 years. Mr. Shorr was a strong advocate of community service and his legacy continues through the student winners.

We especially extend a tremendous THANK YOU to all who are supporting this event this year – in the wake of COVID-19, we know that the past 15 months have been challenging ones and your participation will allow the education awards to continue in the coming years.

Over the last 34 years, more than \$135,000 of education awards have been presented to over 150 students pursuing higher education. These students are destined to become our future business and community leaders in Central Connecticut. As we assist them with college, we also eagerly await and encourage their return to work and contribute back in our community.

Please note that the eligibility for the Sanford S. Shorr Education Awards has been expanded. All dependents and employees of Chamber members, wherever they may reside, are welcome to apply for the awards. That's regionalism in action!

On behalf of the Golf Committee, the entire Chamber membership and the Education Award winning students, thank you for your support of chamber activities and enjoy this day of great golf!

Sincerely,

Rosanne P. Ford, President

Rev. 5/25/2021

June 14, 2021

Welcome Chamber Members and Guests:

On behalf of the Board of Directors, the Golf Committee and Staff of the Chamber, it is our pleasure to welcome you to our 34th Annual Midstate Chamber of Commerce Golf Tournament, in this, our 125th Anniversary of the Midstate Chamber of Commerce! The Ray Parmentier Memorial Classic is named after one of the founders of the tournament who was active on our Golf Committee for MANY years.

We are very grateful for the participation of our generous sponsors, and we are pleased to recognize our **Presenting Sponsor: UBEO Business Services;** and **Diamond Sponsor: Comprehensive Orthopaedics & Musculoskeletal Care LLC.**

We must also recognize the businesses that have generously stepped up to recognize and sponsor veterans who will be golfing with us today. It is a terrific way to recognize and thank those who have proudly served our country. Thank you, Class Act Auto Wash, CEDF – Community Economic Development Fund and AC Exterminating, LLC.

We have had great support from our numerous Gold, Silver, Pin Tee Flag, Cocktail and Lunch sponsors and ads listed in this program book. In addition, tons of raffle prizes have been donated to help guarantee the success of this event. You will find all of the participating businesses listed in this program book who support our chamber while promoting their businesses. **We ask that you please thank every one of these businesses today and throughout the entire year by frequenting them often.** Please remember our mantra: members use members first...and always remember that we are always interested in growing our Chamber with additional members. **Please encourage your friends in business to join us – there is an application you can share with them on the inside back cover of this program. When they join, you'll get a \$50 credit off of next year's tourney – or another chamber event.**

We'd like you to know that your participation in this tournament supports many Chamber initiatives throughout the year including our Annual Sanford S. Shorr Education Awards, named after the Chamber Executive Director who served for more than 30 years. Mr. Shorr was a strong advocate of community service and his legacy continues through the student winners.

We especially extend a tremendous THANK YOU to all who are supporting this event this year – in the wake of COVID-19, we know that the past 15 months have been challenging ones and your participation will allow the education awards to continue in the coming years.

Over the last 34 years, more than \$135,000 of education awards have been presented to over 150 students pursuing higher education. These students are destined to become our future business and community leaders in Central Connecticut. As we assist them with college, we also eagerly await and encourage their return to work and contribute back in our community.

Please note that the eligibility for the Sanford S. Shorr Education Awards has been expanded. All dependents and employees of Chamber members, wherever they may reside, are welcome to apply for the awards. That's regionalism in action!

On behalf of the Golf Committee, the entire Chamber membership and the Education Award winning students, thank you for your support of chamber activities and enjoy this day of great golf!

Sincerely,

Rosanne P. Ford, President

Rev. 5/25/2021

June 14, 2021

Welcome Chamber Members and Guests:

On behalf of the Board of Directors, the Golf Committee and Staff of the Chamber, it is our pleasure to welcome you to our 34th Annual Midstate Chamber of Commerce Golf Tournament, in this, our 125th Anniversary of the Midstate Chamber of Commerce! The Ray Parmentier Memorial Classic is named after one of the founders of the tournament who was active on our Golf Committee for MANY years.

2020 Education Award Winners with Leaders

We are very grateful for the participation of our generous sponsors, and we are pleased to recognize our **Presenting Sponsor: UBEO Business Services;** and **Diamond Sponsor: Comprehensive Orthopaedics & Musculoskeletal Care LLC.**

We must also recognize the businesses that have generously stepped up to recognize and sponsor veterans who will be golfing with us today. It is a terrific way to recognize and thank those who have proudly served our country. Thank you, Class Act Auto Wash, CEDF – Community Economic Development Fund and AC Exterminating, LLC.

We have had great support from our numerous Gold, Silver, Pin Tee Flag, Cocktail and Lunch sponsors and ads listed in this program book. In addition, tons of raffle prizes have been donated to help guarantee the success of this event. You will find all of the participating businesses listed in this program book who support our chamber while promoting their businesses. **We ask that you please thank every one of these businesses today and throughout the entire year by frequenting them often.** Please remember our mantra: members use members first...and always remember that we are always interested in growing our Chamber with additional members. **Please encourage your friends in business to join us – there is an application you can share with them on the inside back cover of this program. When they join, you'll get a \$50 credit off of next year's tourney – or another chamber event.**

We'd like you to know that your participation in this tournament supports many Chamber initiatives throughout the year including our Annual Sanford S. Shorr Education Awards, named after the Chamber Executive Director who served for more than 30 years. Mr. Shorr was a strong advocate of community service and his legacy continues through the student winners.

We especially extend a tremendous THANK YOU to all who are supporting this event this year – in the wake of COVID-19, we know that the past 15 months have been challenging ones and your participation will allow the education awards to continue in the coming years.

Over the last 34 years, more than \$135,000 of education awards have been presented to over 150 students pursuing higher education. These students are destined to become our future business and community leaders in Central Connecticut. As we assist them with college, we also eagerly await and encourage their return to work and contribute back in our community.

Please note that the eligibility for the Sanford S. Shorr Education Awards has been expanded. All dependents and employees of Chamber members, wherever they may reside, are welcome to apply for the awards. That's regionalism in action!

On behalf of the Golf Committee, the entire Chamber membership and the Education Award winning students, thank you for your support of chamber activities and enjoy this day of great golf!

Sincerely,

Rosanne P. Ford, President

Richard Pendred, Golf Chairman

Rev. 5/25/2021

June 14, 2021

Welcome Chamber Members and Guests:

On behalf of the Board of Directors, the Golf Committee and Staff of the Chamber, it is our pleasure to welcome you to our 34th Annual Midstate Chamber of Commerce Golf Tournament, in this, our 125th Anniversary of the Midstate Chamber of Commerce! The Ray Parmentier Memorial Classic is named after one of the founders of the tournament who was active on our Golf Committee for MANY years.

We are very grateful for the participation of our generous sponsors, and we are pleased to recognize our **Presenting Sponsor: UBEO Business Services;** and **Diamond Sponsor: Comprehensive Orthopaedics & Musculoskeletal Care LLC.**

We must also recognize the businesses that have generously stepped up to recognize and sponsor veterans who will be golfing with us today. It is a terrific way to recognize and thank those who have proudly served our country. **Thank you, Class Act Auto Wash, CEDF – Community Economic Development Fund and AC Exterminating, LLC.**

We have had great support from our numerous Gold, Silver, Pin Tee Flag, Cocktail and Lunch sponsors and ads listed in this program book. In addition, tons of raffle prizes have been donated to help guarantee the success of this event. You will find all of the participating businesses listed in this program book who support our chamber while promoting their businesses. **We ask that you please thank every one of these businesses today and throughout the entire year by frequenting them often.** Please remember our mantra: members use members first...and always remember that we are always interested in growing our Chamber with additional members. **Please encourage your friends in business to join us – there is an application you can share with them on the inside back cover of this program. When they join, you'll get a \$50 credit off of next year's tourney – or another chamber event.**

We'd like you to know that your participation in this tournament supports many Chamber initiatives throughout the year including our Annual Sanford S. Shorr Education Awards, named after the Chamber Executive Director who served for more than 30 years. Mr. Shorr was a strong advocate of community service and his legacy continues through the student winners.

We especially extend a tremendous THANK YOU to all who are supporting this event this year – in the wake of COVID-19, we know that the past 15 months have been challenging ones and your participation will allow the education awards to continue in the coming years.

Over the last 34 years, more than \$135,000 of education awards have been presented to over 150 students pursuing higher education. These students are destined to become our future business and community leaders in Central Connecticut. As we assist them with college, we also eagerly await and encourage their return to work and contribute back in our community.

Please note that the eligibility for the Sanford S. Shorr Education Awards has been expanded. All dependents and employees of Chamber members, wherever they may reside, are welcome to apply for the awards. That's regionalism in action!

On behalf of the Golf Committee, the entire Chamber membership and the Education Award winning students, thank you for your support of chamber activities and enjoy this day of great golf!

Sincerely,

Rosanne P. Ford, President

Rev. 5/25/2021

June 14, 2021

Welcome Chamber Members and Guests:

On behalf of the Board of Directors, the Golf Committee and Staff of the Chamber, it is our pleasure to welcome you to our 34th Annual Midstate Chamber of Commerce Golf Tournament, in this, our 125th Anniversary of the Midstate Chamber of Commerce! The Ray Parmentier Memorial Classic is named after one of the founders of the tournament who was active on our Golf Committee for MANY years.

2020 Education Award Winners with Leaders

We are very grateful for the participation of our generous sponsors, and we are pleased to recognize our **Presenting Sponsor: UBEO Business Services;** and **Diamond Sponsor: Comprehensive Orthopaedics & Musculoskeletal Care LLC.**

We must also recognize the businesses that have generously stepped up to recognize and sponsor veterans who will be golfing with us today. It is a terrific way to recognize and thank those who have proudly served our country. Thank you, Class Act Auto Wash, CEDF – Community Economic Development Fund and AC Exterminating, LLC.

We have had great support from our numerous Gold, Silver, Pin Tee Flag, Cocktail and Lunch sponsors and ads listed in this program book. In addition, tons of raffle prizes have been donated to help guarantee the success of this event. You will find all of the participating businesses listed in this program book who support our chamber while promoting their businesses. **We ask that you please thank every one of these businesses today and throughout the entire year by frequenting them often.** Please remember our mantra: members use members first...and always remember that we are always interested in growing our Chamber with additional members. **Please encourage your friends in business to join us – there is an application you can share with them on the inside back cover of this program. When they join, you'll get a \$50 credit off of next year's tourney – or another chamber event.**

We'd like you to know that your participation in this tournament supports many Chamber initiatives throughout the year including our Annual Sanford S. Shorr Education Awards, named after the Chamber Executive Director who served for more than 30 years. Mr. Shorr was a strong advocate of community service and his legacy continues through the student winners.

We especially extend a tremendous THANK YOU to all who are supporting this event this year – in the wake of COVID-19, we know that the past 15 months have been challenging ones and your participation will allow the education awards to continue in the coming years.

Over the last 34 years, more than \$135,000 of education awards have been presented to over 150 students pursuing higher education. These students are destined to become our future business and community leaders in Central Connecticut. As we assist them with college, we also eagerly await and encourage their return to work and contribute back in our community.

Please note that the eligibility for the Sanford S. Shorr Education Awards has been expanded. All dependents and employees of Chamber members, wherever they may reside, are welcome to apply for the awards. That's regionalism in action!

On behalf of the Golf Committee, the entire Chamber membership and the Education Award winning students, thank you for your support of chamber activities and enjoy this day of great golf!

Sincerely,

Rosanne P. Ford, President

Richard Pendred, Golf Chairman

Rev. 5/25/2021

June 14, 2021

Welcome Chamber Members and Guests:

On behalf of the Board of Directors, the Golf Committee and Staff of the Chamber, it is our pleasure to welcome you to our 34th Annual Midstate Chamber of Commerce Golf Tournament, in this, our 125th Anniversary of the Midstate Chamber of Commerce! The Ray Parmentier Memorial Classic is named after one of the founders of the tournament who was active on our Golf Committee for MANY years.

2020 Education Award Winners with Leaders

We are very grateful for the participation of our generous sponsors, and we are pleased to recognize our **Presenting Sponsor: UBEO Business Services;** and **Diamond Sponsor: Comprehensive Orthopaedics & Musculoskeletal Care LLC.**

We must also recognize the businesses that have generously stepped up to recognize and sponsor veterans who will be golfing with us today. It is a terrific way to recognize and thank those who have proudly served our country. Thank you, Class Act Auto Wash, CEDF – Community Economic Development Fund and AC Exterminating, LLC.

We have had great support from our numerous Gold, Silver, Pin Tee Flag, Cocktail and Lunch sponsors and ads listed in this program book. In addition, tons of raffle prizes have been donated to help guarantee the success of this event. You will find all of the participating businesses listed in this program book who support our chamber while promoting their businesses. **We ask that you please thank every one of these businesses today and throughout the entire year by frequenting them often.** Please remember our mantra: members use members first...and always remember that we are always interested in growing our Chamber with additional members. **Please encourage your friends in business to join us – there is an application you can share with them on the inside back cover of this program. When they join, you'll get a \$50 credit off of next year's tourney – or another chamber event.**

We'd like you to know that your participation in this tournament supports many Chamber initiatives throughout the year including our Annual Sanford S. Shorr Education Awards, named after the Chamber Executive Director who served for more than 30 years. Mr. Shorr was a strong advocate of community service and his legacy continues through the student winners.

We especially extend a tremendous THANK YOU to all who are supporting this event this year – in the wake of COVID-19, we know that the past 15 months have been challenging ones and your participation will allow the education awards to continue in the coming years.

Over the last 34 years, more than \$135,000 of education awards have been presented to over 150 students pursuing higher education. These students are destined to become our future business and community leaders in Central Connecticut. As we assist them with college, we also eagerly await and encourage their return to work and contribute back in our community.

Please note that the eligibility for the Sanford S. Shorr Education Awards has been expanded. All dependents and employees of Chamber members, wherever they may reside, are welcome to apply for the awards. That's regionalism in action!

On behalf of the Golf Committee, the entire Chamber membership and the Education Award winning students, thank you for your support of chamber activities and enjoy this day of great golf!

Sincerely,

Rosanne P. Ford, President

Richard Pendred, Golf Chairman

Rev. 5/25/2021

June 14, 2021

Welcome Chamber Members and Guests:

On behalf of the Board of Directors, the Golf Committee and Staff of the Chamber, it is our pleasure to welcome you to our 34th Annual Midstate Chamber of Commerce Golf Tournament, in this, our 125th Anniversary of the Midstate Chamber of Commerce! The Ray Parmentier Memorial Classic is named after one of the founders of the tournament who was active on our Golf Committee for MANY years.

We are very grateful for the participation of our generous sponsors, and we are pleased to recognize our **Presenting Sponsor: UBEO Business Services;** and **Diamond Sponsor: Comprehensive Orthopaedics & Musculoskeletal Care LLC.**

We must also recognize the businesses that have generously stepped up to recognize and sponsor veterans who will be golfing with us today. It is a terrific way to recognize and thank those who have proudly served our country. **Thank you, Class Act Auto Wash, CEDF – Community Economic Development Fund and AC Exterminating, LLC.**

We have had great support from our numerous Gold, Silver, Pin Tee Flag, Cocktail and Lunch sponsors and ads listed in this program book. In addition, tons of raffle prizes have been donated to help guarantee the success of this event. You will find all of the participating businesses listed in this program book who support our chamber while promoting their businesses. **We ask that you please thank every one of these businesses today and throughout the entire year by frequenting them often.** Please remember our mantra: members use members first...and always remember that we are always interested in growing our Chamber with additional members. **Please encourage your friends in business to join us – there is an application you can share with them on the inside back cover of this program. When they join, you'll get a \$50 credit off of next year's tourney – or another chamber event.**

We'd like you to know that your participation in this tournament supports many Chamber initiatives throughout the year including our Annual Sanford S. Shorr Education Awards, named after the Chamber Executive Director who served for more than 30 years. Mr. Shorr was a strong advocate of community service and his legacy continues through the student winners.

We especially extend a tremendous THANK YOU to all who are supporting this event this year – in the wake of COVID-19, we know that the past 15 months have been challenging ones and your participation will allow the education awards to continue in the coming years.

Over the last 34 years, more than \$135,000 of education awards have been presented to over 150 students pursuing higher education. These students are destined to become our future business and community leaders in Central Connecticut. As we assist them with college, we also eagerly await and encourage their return to work and contribute back in our community.

Please note that the eligibility for the Sanford S. Shorr Education Awards has been expanded. All dependents and employees of Chamber members, wherever they may reside, are welcome to apply for the awards. That's regionalism in action!

On behalf of the Golf Committee, the entire Chamber membership and the Education Award winning students, thank you for your support of chamber activities and enjoy this day of great golf!

Sincerely,

Rosanne P. Ford, President

Rev. 5/25/2021

June 14, 2021

Welcome Chamber Members and Guests:

On behalf of the Board of Directors, the Golf Committee and Staff of the Chamber, it is our pleasure to welcome you to our 34th Annual Midstate Chamber of Commerce Golf Tournament, in this, our 125th Anniversary of the Midstate Chamber of Commerce! The Ray Parmentier Memorial Classic is named after one of the founders of the tournament who was active on our Golf Committee for MANY years.

We are very grateful for the participation of our generous sponsors, and we are pleased to recognize our **Presenting Sponsor: UBEO Business Services;** and **Diamond Sponsor: Comprehensive Orthopaedics & Musculoskeletal Care LLC.**

We must also recognize the businesses that have generously stepped up to recognize and sponsor veterans who will be golfing with us today. It is a terrific way to recognize and thank those who have proudly served our country. Thank you, Class Act Auto Wash, CEDF – Community Economic Development Fund and AC Exterminating, LLC.

We have had great support from our numerous Gold, Silver, Pin Tee Flag, Cocktail and Lunch sponsors and ads listed in this program book. In addition, tons of raffle prizes have been donated to help guarantee the success of this event. You will find all of the participating businesses listed in this program book who support our chamber while promoting their businesses. **We ask that you please thank every one of these businesses today and throughout the entire year by frequenting them often.** Please remember our mantra: members use members first...and always remember that we are always interested in growing our Chamber with additional members. **Please encourage your friends in business to join us – there is an application you can share with them on the inside back cover of this program. When they join, you'll get a \$50 credit off of next year's tourney – or another chamber event.**

We'd like you to know that your participation in this tournament supports many Chamber initiatives throughout the year including our Annual Sanford S. Shorr Education Awards, named after the Chamber Executive Director who served for more than 30 years. Mr. Shorr was a strong advocate of community service and his legacy continues through the student winners.

We especially extend a tremendous THANK YOU to all who are supporting this event this year – in the wake of COVID-19, we know that the past 15 months have been challenging ones and your participation will allow the education awards to continue in the coming years.

Over the last 34 years, more than \$135,000 of education awards have been presented to over 150 students pursuing higher education. These students are destined to become our future business and community leaders in Central Connecticut. As we assist them with college, we also eagerly await and encourage their return to work and contribute back in our community.

Please note that the eligibility for the Sanford S. Shorr Education Awards has been expanded. All dependents and employees of Chamber members, wherever they may reside, are welcome to apply for the awards. That's regionalism in action!

On behalf of the Golf Committee, the entire Chamber membership and the Education Award winning students, thank you for your support of chamber activities and enjoy this day of great golf!

Sincerely,

Rosanne P. Ford, President

Rev. 5/25/2021

June 14, 2021

Welcome Chamber Members and Guests:

On behalf of the Board of Directors, the Golf Committee and Staff of the Chamber, it is our pleasure to welcome you to our 34th Annual Midstate Chamber of Commerce Golf Tournament, in this, our 125th Anniversary of the Midstate Chamber of Commerce! The Ray Parmentier Memorial Classic is named after one of the founders of the tournament who was active on our Golf Committee for MANY years.

2020 Education Award Winners with Leaders

We are very grateful for the participation of our generous sponsors, and we are pleased to recognize our **Presenting Sponsor: UBEO Business Services;** and **Diamond Sponsor: Comprehensive Orthopaedics & Musculoskeletal Care LLC.**

We must also recognize the businesses that have generously stepped up to recognize and sponsor veterans who will be golfing with us today. It is a terrific way to recognize and thank those who have proudly served our country. Thank you, Class Act Auto Wash, CEDF – Community Economic Development Fund and AC Exterminating, LLC.

We have had great support from our numerous Gold, Silver, Pin Tee Flag, Cocktail and Lunch sponsors and ads listed in this program book. In addition, tons of raffle prizes have been donated to help guarantee the success of this event. You will find all of the participating businesses listed in this program book who support our chamber while promoting their businesses. **We ask that you please thank every one of these businesses today and throughout the entire year by frequenting them often.** Please remember our mantra: members use members first...and always remember that we are always interested in growing our Chamber with additional members. **Please encourage your friends in business to join us – there is an application you can share with them on the inside back cover of this program. When they join, you'll get a \$50 credit off of next year's tourney – or another chamber event.**

We'd like you to know that your participation in this tournament supports many Chamber initiatives throughout the year including our Annual Sanford S. Shorr Education Awards, named after the Chamber Executive Director who served for more than 30 years. Mr. Shorr was a strong advocate of community service and his legacy continues through the student winners.

We especially extend a tremendous THANK YOU to all who are supporting this event this year – in the wake of COVID-19, we know that the past 15 months have been challenging ones and your participation will allow the education awards to continue in the coming years.

Over the last 34 years, more than \$135,000 of education awards have been presented to over 150 students pursuing higher education. These students are destined to become our future business and community leaders in Central Connecticut. As we assist them with college, we also eagerly await and encourage their return to work and contribute back in our community.

Please note that the eligibility for the Sanford S. Shorr Education Awards has been expanded. All dependents and employees of Chamber members, wherever they may reside, are welcome to apply for the awards. That's regionalism in action!

On behalf of the Golf Committee, the entire Chamber membership and the Education Award winning students, thank you for your support of chamber activities and enjoy this day of great golf!

Sincerely,

Rosanne P. Ford, President

Richard Pendred, Golf Chairman

Rev. 5/25/2021

June 14, 2021

Welcome Chamber Members and Guests:

On behalf of the Board of Directors, the Golf Committee and Staff of the Chamber, it is our pleasure to welcome you to our 34th Annual Midstate Chamber of Commerce Golf Tournament, in this, our 125th Anniversary of the Midstate Chamber of Commerce! The Ray Parmentier Memorial Classic is named after one of the founders of the tournament who was active on our Golf Committee for MANY years.

2020 Education Award Winners with Leaders

We are very grateful for the participation of our generous sponsors, and we are pleased to recognize our **Presenting Sponsor: UBEO Business Services;** and **Diamond Sponsor: Comprehensive Orthopaedics & Musculoskeletal Care LLC.**

We must also recognize the businesses that have generously stepped up to recognize and sponsor veterans who will be golfing with us today. It is a terrific way to recognize and thank those who have proudly served our country. Thank you, Class Act Auto Wash, CEDF – Community Economic Development Fund and AC Exterminating, LLC.

We have had great support from our numerous Gold, Silver, Pin Tee Flag, Cocktail and Lunch sponsors and ads listed in this program book. In addition, tons of raffle prizes have been donated to help guarantee the success of this event. You will find all of the participating businesses listed in this program book who support our chamber while promoting their businesses. **We ask that you please thank every one of these businesses today and throughout the entire year by frequenting them often.** Please remember our mantra: members use members first...and always remember that we are always interested in growing our Chamber with additional members. **Please encourage your friends in business to join us – there is an application you can share with them on the inside back cover of this program. When they join, you'll get a \$50 credit off of next year's tourney – or another chamber event.**

We'd like you to know that your participation in this tournament supports many Chamber initiatives throughout the year including our Annual Sanford S. Shorr Education Awards, named after the Chamber Executive Director who served for more than 30 years. Mr. Shorr was a strong advocate of community service and his legacy continues through the student winners.

We especially extend a tremendous THANK YOU to all who are supporting this event this year – in the wake of COVID-19, we know that the past 15 months have been challenging ones and your participation will allow the education awards to continue in the coming years.

Over the last 34 years, more than \$135,000 of education awards have been presented to over 150 students pursuing higher education. These students are destined to become our future business and community leaders in Central Connecticut. As we assist them with college, we also eagerly await and encourage their return to work and contribute back in our community.

Please note that the eligibility for the Sanford S. Shorr Education Awards has been expanded. All dependents and employees of Chamber members, wherever they may reside, are welcome to apply for the awards. That's regionalism in action!

On behalf of the Golf Committee, the entire Chamber membership and the Education Award winning students, thank you for your support of chamber activities and enjoy this day of great golf!

Sincerely,

Rosanne P. Ford, President

Richard Pendred, Golf Chairman

Rev. 5/25/2021

June 14, 2021

Welcome Chamber Members and Guests:

On behalf of the Board of Directors, the Golf Committee and Staff of the Chamber, it is our pleasure to welcome you to our 34th Annual Midstate Chamber of Commerce Golf Tournament, in this, our 125th Anniversary of the Midstate Chamber of Commerce! The Ray Parmentier Memorial Classic is named after one of the founders of the tournament who was active on our Golf Committee for MANY years.

2020 Education Award Winners with Leaders

We are very grateful for the participation of our generous sponsors, and we are pleased to recognize our **Presenting Sponsor: UBEO Business Services;** and **Diamond Sponsor: Comprehensive Orthopaedics & Musculoskeletal Care LLC.**

We must also recognize the businesses that have generously stepped up to recognize and sponsor veterans who will be golfing with us today. It is a terrific way to recognize and thank those who have proudly served our country. Thank you, Class Act Auto Wash, CEDF – Community Economic Development Fund and AC Exterminating, LLC.

We have had great support from our numerous Gold, Silver, Pin Tee Flag, Cocktail and Lunch sponsors and ads listed in this program book. In addition, tons of raffle prizes have been donated to help guarantee the success of this event. You will find all of the participating businesses listed in this program book who support our chamber while promoting their businesses. **We ask that you please thank every one of these businesses today and throughout the entire year by frequenting them often.** Please remember our mantra: members use members first...and always remember that we are always interested in growing our Chamber with additional members. **Please encourage your friends in business to join us – there is an application you can share with them on the inside back cover of this program. When they join, you'll get a \$50 credit off of next year's tourney – or another chamber event.**

We'd like you to know that your participation in this tournament supports many Chamber initiatives throughout the year including our Annual Sanford S. Shorr Education Awards, named after the Chamber Executive Director who served for more than 30 years. Mr. Shorr was a strong advocate of community service and his legacy continues through the student winners.

We especially extend a tremendous THANK YOU to all who are supporting this event this year – in the wake of COVID-19, we know that the past 15 months have been challenging ones and your participation will allow the education awards to continue in the coming years.

Over the last 34 years, more than \$135,000 of education awards have been presented to over 150 students pursuing higher education. These students are destined to become our future business and community leaders in Central Connecticut. As we assist them with college, we also eagerly await and encourage their return to work and contribute back in our community.

Please note that the eligibility for the Sanford S. Shorr Education Awards has been expanded. All dependents and employees of Chamber members, wherever they may reside, are welcome to apply for the awards. That's regionalism in action!

On behalf of the Golf Committee, the entire Chamber membership and the Education Award winning students, thank you for your support of chamber activities and enjoy this day of great golf!

Sincerely,

Rosanne P. Ford, President

Richard Pendred, Golf Chairman

Rev. 5/25/2021

June 14, 2021

Welcome Chamber Members and Guests:

On behalf of the Board of Directors, the Golf Committee and Staff of the Chamber, it is our pleasure to welcome you to our 34th Annual Midstate Chamber of Commerce Golf Tournament, in this, our 125th Anniversary of the Midstate Chamber of Commerce! The Ray Parmentier Memorial Classic is named after one of the founders of the tournament who was active on our Golf Committee for MANY years.

2020 Education Award Winners with Leaders

We are very grateful for the participation of our generous sponsors, and we are pleased to recognize our **Presenting Sponsor: UBEO Business Services;** and **Diamond Sponsor: Comprehensive Orthopaedics & Musculoskeletal Care LLC.**

We must also recognize the businesses that have generously stepped up to recognize and sponsor veterans who will be golfing with us today. It is a terrific way to recognize and thank those who have proudly served our country. Thank you, Class Act Auto Wash, CEDF – Community Economic Development Fund and AC Exterminating, LLC.

We have had great support from our numerous Gold, Silver, Pin Tee Flag, Cocktail and Lunch sponsors and ads listed in this program book. In addition, tons of raffle prizes have been donated to help guarantee the success of this event. You will find all of the participating businesses listed in this program book who support our chamber while promoting their businesses. **We ask that you please thank every one of these businesses today and throughout the entire year by frequenting them often.** Please remember our mantra: members use members first...and always remember that we are always interested in growing our Chamber with additional members. **Please encourage your friends in business to join us – there is an application you can share with them on the inside back cover of this program. When they join, you'll get a \$50 credit off of next year's tourney – or another chamber event.**

We'd like you to know that your participation in this tournament supports many Chamber initiatives throughout the year including our Annual Sanford S. Shorr Education Awards, named after the Chamber Executive Director who served for more than 30 years. Mr. Shorr was a strong advocate of community service and his legacy continues through the student winners.

We especially extend a tremendous THANK YOU to all who are supporting this event this year – in the wake of COVID-19, we know that the past 15 months have been challenging ones and your participation will allow the education awards to continue in the coming years.

Over the last 34 years, more than \$135,000 of education awards have been presented to over 150 students pursuing higher education. These students are destined to become our future business and community leaders in Central Connecticut. As we assist them with college, we also eagerly await and encourage their return to work and contribute back in our community.

Please note that the eligibility for the Sanford S. Shorr Education Awards has been expanded. All dependents and employees of Chamber members, wherever they may reside, are welcome to apply for the awards. That's regionalism in action!

On behalf of the Golf Committee, the entire Chamber membership and the Education Award winning students, thank you for your support of chamber activities and enjoy this day of great golf!

Sincerely,

Rosanne P. Ford, President

Rev. 5/25/2021

June 14, 2021

Welcome Chamber Members and Guests:

On behalf of the Board of Directors, the Golf Committee and Staff of the Chamber, it is our pleasure to welcome you to our 34th Annual Midstate Chamber of Commerce Golf Tournament, in this, our 125th Anniversary of the Midstate Chamber of Commerce! The Ray Parmentier Memorial Classic is named after one of the founders of the tournament who was active on our Golf Committee for MANY years.

We are very grateful for the participation of our generous sponsors, and we are pleased to recognize our **Presenting Sponsor: UBEO Business Services;** and **Diamond Sponsor: Comprehensive Orthopaedics & Musculoskeletal Care LLC.**

We must also recognize the businesses that have generously stepped up to recognize and sponsor veterans who will be golfing with us today. It is a terrific way to recognize and thank those who have proudly served our country. **Thank you, Class Act Auto Wash, CEDF – Community Economic Development Fund and AC Exterminating, LLC.**

We have had great support from our numerous Gold, Silver, Pin Tee Flag, Cocktail and Lunch sponsors and ads listed in this program book. In addition, tons of raffle prizes have been donated to help guarantee the success of this event. You will find all of the participating businesses listed in this program book who support our chamber while promoting their businesses. **We ask that you please thank every one of these businesses today and throughout the entire year by frequenting them often.** Please remember our mantra: members use members first...and always remember that we are always interested in growing our Chamber with additional members. **Please encourage your friends in business to join us – there is an application you can share with them on the inside back cover of this program. When they join, you'll get a \$50 credit off of next year's tourney – or another chamber event.**

We'd like you to know that your participation in this tournament supports many Chamber initiatives throughout the year including our Annual Sanford S. Shorr Education Awards, named after the Chamber Executive Director who served for more than 30 years. Mr. Shorr was a strong advocate of community service and his legacy continues through the student winners.

We especially extend a tremendous THANK YOU to all who are supporting this event this year – in the wake of COVID-19, we know that the past 15 months have been challenging ones and your participation will allow the education awards to continue in the coming years.

Over the last 34 years, more than \$135,000 of education awards have been presented to over 150 students pursuing higher education. These students are destined to become our future business and community leaders in Central Connecticut. As we assist them with college, we also eagerly await and encourage their return to work and contribute back in our community.

Please note that the eligibility for the Sanford S. Shorr Education Awards has been expanded. All dependents and employees of Chamber members, wherever they may reside, are welcome to apply for the awards. That's regionalism in action!

On behalf of the Golf Committee, the entire Chamber membership and the Education Award winning students, thank you for your support of chamber activities and enjoy this day of great golf!

Sincerely,

Rosanne P. Ford, President

Rev. 5/25/2021

June 14, 2021

Welcome Chamber Members and Guests:

On behalf of the Board of Directors, the Golf Committee and Staff of the Chamber, it is our pleasure to welcome you to our 34th Annual Midstate Chamber of Commerce Golf Tournament, in this, our 125th Anniversary of the Midstate Chamber of Commerce! The Ray Parmentier Memorial Classic is named after one of the founders of the tournament who was active on our Golf Committee for MANY years.

2020 Education Award Winners with Leaders

We are very grateful for the participation of our generous sponsors, and we are pleased to recognize our **Presenting Sponsor: UBEO Business Services;** and **Diamond Sponsor: Comprehensive Orthopaedics & Musculoskeletal Care LLC.**

We must also recognize the businesses that have generously stepped up to recognize and sponsor veterans who will be golfing with us today. It is a terrific way to recognize and thank those who have proudly served our country. Thank you, Class Act Auto Wash, CEDF – Community Economic Development Fund and AC Exterminating, LLC.

We have had great support from our numerous Gold, Silver, Pin Tee Flag, Cocktail and Lunch sponsors and ads listed in this program book. In addition, tons of raffle prizes have been donated to help guarantee the success of this event. You will find all of the participating businesses listed in this program book who support our chamber while promoting their businesses. **We ask that you please thank every one of these businesses today and throughout the entire year by frequenting them often.** Please remember our mantra: members use members first...and always remember that we are always interested in growing our Chamber with additional members. **Please encourage your friends in business to join us – there is an application you can share with them on the inside back cover of this program. When they join, you'll get a \$50 credit off of next year's tourney – or another chamber event.**

We'd like you to know that your participation in this tournament supports many Chamber initiatives throughout the year including our Annual Sanford S. Shorr Education Awards, named after the Chamber Executive Director who served for more than 30 years. Mr. Shorr was a strong advocate of community service and his legacy continues through the student winners.

We especially extend a tremendous THANK YOU to all who are supporting this event this year – in the wake of COVID-19, we know that the past 15 months have been challenging ones and your participation will allow the education awards to continue in the coming years.

Over the last 34 years, more than \$135,000 of education awards have been presented to over 150 students pursuing higher education. These students are destined to become our future business and community leaders in Central Connecticut. As we assist them with college, we also eagerly await and encourage their return to work and contribute back in our community.

Please note that the eligibility for the Sanford S. Shorr Education Awards has been expanded. All dependents and employees of Chamber members, wherever they may reside, are welcome to apply for the awards. That's regionalism in action!

On behalf of the Golf Committee, the entire Chamber membership and the Education Award winning students, thank you for your support of chamber activities and enjoy this day of great golf!

Sincerely,

Rosanne P. Ford, President

Richard Pendred, Golf Chairman

Rev. 5/25/2021

June 14, 2021

Welcome Chamber Members and Guests:

On behalf of the Board of Directors, the Golf Committee and Staff of the Chamber, it is our pleasure to welcome you to our 34th Annual Midstate Chamber of Commerce Golf Tournament, in this, our 125th Anniversary of the Midstate Chamber of Commerce! The Ray Parmentier Memorial Classic is named after one of the founders of the tournament who was active on our Golf Committee for MANY years.

We are very grateful for the participation of our generous sponsors, and we are pleased to recognize our **Presenting Sponsor: UBEO Business Services;** and **Diamond Sponsor: Comprehensive Orthopaedics & Musculoskeletal Care LLC.**

We must also recognize the businesses that have generously stepped up to recognize and sponsor veterans who will be golfing with us today. It is a terrific way to recognize and thank those who have proudly served our country. Thank you, Class Act Auto Wash, CEDF – Community Economic Development Fund and AC Exterminating, LLC.

We have had great support from our numerous Gold, Silver, Pin Tee Flag, Cocktail and Lunch sponsors and ads listed in this program book. In addition, tons of raffle prizes have been donated to help guarantee the success of this event. You will find all of the participating businesses listed in this program book who support our chamber while promoting their businesses. **We ask that you please thank every one of these businesses today and throughout the entire year by frequenting them often.** Please remember our mantra: members use members first...and always remember that we are always interested in growing our Chamber with additional members. **Please encourage your friends in business to join us – there is an application you can share with them on the inside back cover of this program. When they join, you'll get a \$50 credit off of next year's tourney – or another chamber event.**

We'd like you to know that your participation in this tournament supports many Chamber initiatives throughout the year including our Annual Sanford S. Shorr Education Awards, named after the Chamber Executive Director who served for more than 30 years. Mr. Shorr was a strong advocate of community service and his legacy continues through the student winners.

We especially extend a tremendous THANK YOU to all who are supporting this event this year – in the wake of COVID-19, we know that the past 15 months have been challenging ones and your participation will allow the education awards to continue in the coming years.

Over the last 34 years, more than \$135,000 of education awards have been presented to over 150 students pursuing higher education. These students are destined to become our future business and community leaders in Central Connecticut. As we assist them with college, we also eagerly await and encourage their return to work and contribute back in our community.

Please note that the eligibility for the Sanford S. Shorr Education Awards has been expanded. All dependents and employees of Chamber members, wherever they may reside, are welcome to apply for the awards. That's regionalism in action!

On behalf of the Golf Committee, the entire Chamber membership and the Education Award winning students, thank you for your support of chamber activities and enjoy this day of great golf!

Sincerely,

Rosanne P. Ford, President

Rev. 5/25/2021

June 14, 2021

Welcome Chamber Members and Guests:

On behalf of the Board of Directors, the Golf Committee and Staff of the Chamber, it is our pleasure to welcome you to our 34th Annual Midstate Chamber of Commerce Golf Tournament, in this, our 125th Anniversary of the Midstate Chamber of Commerce! The Ray Parmentier Memorial Classic is named after one of the founders of the tournament who was active on our Golf Committee for MANY years.

2020 Education Award Winners with Leaders

We are very grateful for the participation of our generous sponsors, and we are pleased to recognize our **Presenting Sponsor: UBEO Business Services;** and **Diamond Sponsor: Comprehensive Orthopaedics & Musculoskeletal Care LLC.**

We must also recognize the businesses that have generously stepped up to recognize and sponsor veterans who will be golfing with us today. It is a terrific way to recognize and thank those who have proudly served our country. Thank you, Class Act Auto Wash, CEDF – Community Economic Development Fund and AC Exterminating, LLC.

We have had great support from our numerous Gold, Silver, Pin Tee Flag, Cocktail and Lunch sponsors and ads listed in this program book. In addition, tons of raffle prizes have been donated to help guarantee the success of this event. You will find all of the participating businesses listed in this program book who support our chamber while promoting their businesses. **We ask that you please thank every one of these businesses today and throughout the entire year by frequenting them often.** Please remember our mantra: members use members first...and always remember that we are always interested in growing our Chamber with additional members. **Please encourage your friends in business to join us – there is an application you can share with them on the inside back cover of this program. When they join, you'll get a \$50 credit off of next year's tourney – or another chamber event.**

We'd like you to know that your participation in this tournament supports many Chamber initiatives throughout the year including our Annual Sanford S. Shorr Education Awards, named after the Chamber Executive Director who served for more than 30 years. Mr. Shorr was a strong advocate of community service and his legacy continues through the student winners.

We especially extend a tremendous THANK YOU to all who are supporting this event this year – in the wake of COVID-19, we know that the past 15 months have been challenging ones and your participation will allow the education awards to continue in the coming years.

Over the last 34 years, more than \$135,000 of education awards have been presented to over 150 students pursuing higher education. These students are destined to become our future business and community leaders in Central Connecticut. As we assist them with college, we also eagerly await and encourage their return to work and contribute back in our community.

Please note that the eligibility for the Sanford S. Shorr Education Awards has been expanded. All dependents and employees of Chamber members, wherever they may reside, are welcome to apply for the awards. That's regionalism in action!

On behalf of the Golf Committee, the entire Chamber membership and the Education Award winning students, thank you for your support of chamber activities and enjoy this day of great golf!

Sincerely,

Rosanne P. Ford, President

Richard Pendred, Golf Chairman

Rev. 5/25/2021

June 14, 2021

Welcome Chamber Members and Guests:

On behalf of the Board of Directors, the Golf Committee and Staff of the Chamber, it is our pleasure to welcome you to our 34th Annual Midstate Chamber of Commerce Golf Tournament, in this, our 125th Anniversary of the Midstate Chamber of Commerce! The Ray Parmentier Memorial Classic is named after one of the founders of the tournament who was active on our Golf Committee for MANY years.

2020 Education Award Winners with Leaders

We are very grateful for the participation of our generous sponsors, and we are pleased to recognize our **Presenting Sponsor: UBEO Business Services;** and **Diamond Sponsor: Comprehensive Orthopaedics & Musculoskeletal Care LLC.**

We must also recognize the businesses that have generously stepped up to recognize and sponsor veterans who will be golfing with us today. It is a terrific way to recognize and thank those who have proudly served our country. Thank you, Class Act Auto Wash, CEDF – Community Economic Development Fund and AC Exterminating, LLC.

We have had great support from our numerous Gold, Silver, Pin Tee Flag, Cocktail and Lunch sponsors and ads listed in this program book. In addition, tons of raffle prizes have been donated to help guarantee the success of this event. You will find all of the participating businesses listed in this program book who support our chamber while promoting their businesses. **We ask that you please thank every one of these businesses today and throughout the entire year by frequenting them often.** Please remember our mantra: members use members first...and always remember that we are always interested in growing our Chamber with additional members. **Please encourage your friends in business to join us – there is an application you can share with them on the inside back cover of this program. When they join, you'll get a \$50 credit off of next year's tourney – or another chamber event.**

We'd like you to know that your participation in this tournament supports many Chamber initiatives throughout the year including our Annual Sanford S. Shorr Education Awards, named after the Chamber Executive Director who served for more than 30 years. Mr. Shorr was a strong advocate of community service and his legacy continues through the student winners.

We especially extend a tremendous THANK YOU to all who are supporting this event this year – in the wake of COVID-19, we know that the past 15 months have been challenging ones and your participation will allow the education awards to continue in the coming years.

Over the last 34 years, more than \$135,000 of education awards have been presented to over 150 students pursuing higher education. These students are destined to become our future business and community leaders in Central Connecticut. As we assist them with college, we also eagerly await and encourage their return to work and contribute back in our community.

Please note that the eligibility for the Sanford S. Shorr Education Awards has been expanded. All dependents and employees of Chamber members, wherever they may reside, are welcome to apply for the awards. That's regionalism in action!

On behalf of the Golf Committee, the entire Chamber membership and the Education Award winning students, thank you for your support of chamber activities and enjoy this day of great golf!

Sincerely,

Rosanne P. Ford, President

Richard Pendred, Golf Chairman

Sandy

*The Chamber fondly remembers the lives of

Both gents are with us today, and will always be...with us in spirit.

DRIVE IMPROVEMENTS WITH A
Business Technology Assessment!

WE'LL TEE YOU UP FOR SUCCESS

Many vendors in our industry will offer to perform a technology assessment. Most competitive assessments consist of meter collection and a like-for-like replacement strategy.

UBEO is different. Our assessment seeks to uncover opportunities to improve your team's relationship with their supporting technology. We seek to streamline your team's workflow and to optimize your business document systems. Our findings will result in a solution that is the best mix of performance, cost and usability.
