

Ion Bank

Ion Bank was founded in 1870 as a local savings bank where individuals could safely deposit or borrow money, the Ion Family has evolved into a top-rated, technologically advanced financial institution with everything you or your business need to succeed. Today, we are proud to serve central CT and beyond with convenient locations and services to invest, insure and bank anywhere, anytime.

One thing that has not changed in nearly 150 years is our commitment to you. Ion prides itself on building lifetime relationships with our customers and we support multiple communities with charitable giving and volunteerism.

In fact, our commitment to you is so important at Ion, it is our culture and at the center of everything we do. With SARF (Safety & Security, Accuracy, Responsiveness, and Friendly, personalized service), the focus remains on our customers, community, and employees. Ion is a mutual institution, meaning we do not have shareholders or outside interests that govern our decision-making.

Our products and offerings include all of the latest technologies in banking that you expect. Additionally, we have Ion Investment and insurance services to suit any size business or individual.
