

Wheeler Foster Care

Make a Difference. Become a Wheeler Foster Parent.

In Connecticut, more than 4,000 children and youth are in foster care, and hundreds more are in need of loving homes and foster families. You can make a difference in the life of a child or youth by becoming a Wheeler foster parent. Wheeler's team of clinical, social work, and case management professionals work closely with you and provide extensive training and ongoing support. As a Wheeler foster parent, you are truly part of a larger team.

During this challenging time, especially, consider how you can make a significant difference and help a child or youth in need. For information and to learn more about our innovative virtual information and comprehensive training sessions for prospective families, call 860.793.7277, or send an email to Fostercareprograms@wheelerclinic.org. Training and information session attendees are under no obligation to become foster parents.

Wheeler's Foster Care programs are funded by the Connecticut Department of Children and Families. To learn more, visit WheelerClinic.org/Foster.
